Imperial Point Area Businesses! Help us Sponsor our event

Come join us and your neighbors for a festive holiday gathering!

Winter in the Park is our evening event of the year. It is well attended (300-400 Adults & Children) by Imperial Point area families and friends. We ask that you come and showcase your business. You will increase your local outreach to customers while giving back to your local community.

There is no cost for attendees, so attendance will be large.

The festivities include:
